

# Alberta Made Production Grant Evaluation Criteria

Revised April 2021

---

All eligible Alberta Made Production Grant applications are awarded points based on defined objective evaluation criteria.

- Total Alberta spend
- Jobs created in Alberta
- Returning production bonus
- Successful Project/Script project
- Ownership of applicant corporation (diversity/indigenous/inclusion)
- Percentage of Albertan film days
- Percentage of film days outside of Calgary/Edmonton region
- Percentage of post-production completed in Alberta
- Percentage of financial contribution from a license or distribution agreement
- Private 3rd party investment
- Other government funders
- Ownership of creative material

## Definitions

### **Other Government Funders Funding**

received through public and provincial funding agencies.

### **Private Third Party Investment**

Third party investment is funding from someone who is not involved in the production who provides funding in support of the production. This is not an in-kind contribution or sponsorship. This includes Certified Independent Production Funds as defined by the Canadian Radio-television and Telecommunications Commission of the Government of Canada.
