CONSENT DECISION

Whereas, the sole shareholder and directing mind of Surgeons Collision acknowledges that his other AMVIC licensed motor vehicle sales businesses have gone into receivership, and whereas AMVIC acknowledges that Surgeons Collision has applied for an automotive repair licence and not a motor vehicle sales licence, the parties agree that a \$25,000 General Surety bond is an appropriate condition of licensure for Surgeons Collision.

Based on this joint submission, the Director varies the previously proposed conditions on the automotive business licence of Surgeons Collision to require a \$25,000 General Surety Bond for a period of 12 months.

Signed at Edmonton, Alberta on December 4, 2019.
